SESSION ID: SEM-M06

CYBER SMART EDUCATION SEMINAR HOW TEENS LEARN SECURITY

#RSAC

Pete Herzog

Managing Director
Hacker Highschool, ISECOM

@peteherzog
@hackerhigh

Action Items

- 1. Practice situational awareness with the name game.*
- 2. Practice empowerment to social norms, learn not to say no.*
- 3. Practice seeing the big picture, interconnectedness of things, and mental time travel.*
- 4. Practice resourcefulness through letting teens figure things out for themselves.*
