LET'S BLOW UP SECURITY AWARENESS AND START OVER!

QUESTIONS?

Apply What You Have Learned Today

- Next week you should:
 - Identify the areas of your awareness program you should revamp
- In the first three months following this presentation you should:
 - Identify 3 key areas of your awareness program that need new life
 - Find 1 or more partners/collaborators outside your department
- Within six months you should:
 - Showcase the success stories that arise from your re-energized approach—quantitative and qualitative
 - Be prepared to work with a bigger budget for a program that demonstrates results
